Professional Summary

My dream job would be to work for a company that would allow my curiosity and passion for learning new things to flourish. I have always had an interest in and admiration for media companies that stand at the forefront of their industry in both creativity and functionality.

I have learned both the technological side of coding and graphics and the artistic side with animation, 3D modeling and a variety of physical mediums. My passion and eagerness to learn drives me to pursue a job where I can combine my skills to create something unique.

Language Proficiency

Japanese (Intermediate Proficiency | Studied Abroad in Japan),

Chinese (Intermediate, | Studied for 7 years), **Korean** (Beginner)

Skills

Design & Technical: Adobe Creative Suite, Adobe Illustrator, Adobe InDesign, Figma, Chyron Prime, ZBrush, Unity, HTML, CSS, Bootstrap, JavaScript, Canva, Affinity, Graphic design, Wireframing, UX/UI Prototyping, Microsoft, WordPress, Motion graphics

Other Skills: Writing, Teaching, Tutoring, Social media management, Animal Care, Sales, Storyboarding, Marketing, Childcare.

Education

B.A. Interactive Design (UX/UI)

James Madison University | Harrisonburg, VA

August 2023 to Present | GPA: 3.8

High School Diploma

Harpeth Hall High School | Nashville, TN

August 2015 to May 2023 | GPA 3.6

General Work Experience

Internship

Armada (Magnetic Dreams) | Nashville, TN | January 2022 to February 2022

During my time here I learned skills including the basics of character design in Photoshop, how to edit and create assets in Unity, how to make 3D models with Zbrush, and the general storyboarding process. During this time I had the opportunity to meet people within the production pipeline of an award-winning studio, whose projects included motion graphics, animation, storyboarding and asset creation. As my final project I

designed and developed an animated character that matched the style of the studio's current animated project. I had meetings with multiple industry veterans and received mentorship on character & setting design and professional storyboarding.

JMU Athletics Tutor

James Madison University | Harrisonburg, VA | August 2025 to Present

Provide academic support and tutoring to student athletes at JMU in a variety of subjects including (but not limited to) Statistics, Art History, Anthropology, and Philosophy. I prepare athletes with the skills and tools necessary for academic success.

Zoo Teen/Volunteer

Nashville Zoo at Grassmere | Nashville, TN | May 2017 to Present

Provided education and information on animal welfare and conservation topics for a diverse range of people visiting the zoo. Later as a volunteer I worked alongside our Lorikeet keepers in daily animal care routines, gaining practical knowledge in animal behavior and husbandry, and providing assistance for ongoing research and development.

Sales Associate

PetSupermarket | Nashville, TN | November 2022 to August 2024

Helped management to uphold rigorous animal care standards and provided education for staff and customers. I gave guidance on animal care and pet products, managing a wide range of customer inquiries.

Studio Assistant

Bellevue Performing Arts Center | Nashville, TN | January 2021 to August 2023

Assisted the owner with facility maintenance and taught dance class for 3-5 year olds.

Shift Leader

Subway | Nashville, TN | May 2021 to October 2022

Managed the store operations on weekends, and helped to train new employees while also being responsible for the store's general maintenance and functionality.

Awards & Recognition & Certifications

Silver Award- MyAbility: A Student-Centered Mobility Support Platform

2026 AEJMC Festival of Visual & Interactive Media- Interactive & Motion Design Category

Awarded Silver in The AEJMC Festival of Visual & Interactive Media contest for MyAbility app prototype, and research report that was designed by Zoe Pearson, Charlotte Kipps, and Nina Cralle.
